## With Sorrow -----

The membership is invited to let the newsletter editor know if you have lost a beloved pet. This month:

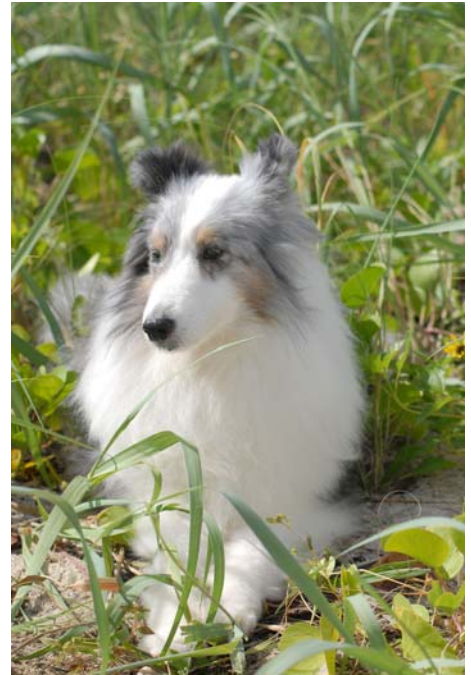

Club member, [Lisa Malanowski](#), reflects on the passing of “Smokie,” Cierra Backdraft, on March 4, 2010. “Smokie” was 14 1/2 years old. “Smokie” was born November 24, 1995, and was sired by Jo-Lynn's Its It N Thats That ex Cierra Beale Street Blues.

“Smokie” came from a litter of three—one tri girl, Annie, and two blue boys, “Smokie” and his brother “Dusty.” “Smokie” was obedience trained and finished at the top of his class.

“Smokie” was a loving and gentle soul who loved to go for a ride in Lisa’s convertible with his head out the window, go for a sunrise walk on the beach, or go on hikes in the woods.

Lisa’s feelings for “Smokie” can best be summarized in her own words: “Smokie’ was and always will be my ‘heart dog.’ It’s that special dog that only comes along once in a lifetime for most of us. When I lost my sister Chrissy in March of 1996, I went home from college to be with my family. After three weeks, I decided to go back and finish my senior year and could not imagine doing so without five-month-old puppy ‘Smokie’ by my side. He was my strength that got me through the pain and sorrow. He’ll never know just how much I needed him then and miss him so much now.”

Lisa further says that “to call him a dog hardly seems to do him justice,” though she admits he had four legs, a tail, and barked. She says to those who knew him well, “he was a perfect gentleman who possessed beauty without vanity, strength without insolence, courage without ferocity, and all the virtues of man without man’s vices.” She will forever miss Smokie!

---

Club member [Diane Sedberry](#) announced the passing of “Kelley,” Simcos Celtic Elegance, RE, CD, on March 1, 2010. “Kelley” was six years old. “Kelley” was born December 4, 2003, and was sired by Am/Can CH Silversong's Nightrider ex Simcos Queen of the Night. Diane and her husband Jim purchased “Kelley” from club member Colleen Kessler when she was 11 months old.

After purchasing “Kelley,” Diane started beginners obedience in January of 2005. “Kelley” earned her Rally Novice Title on May 14, 2005, Rally Advanced Title on February 5, 2006, Rally Excellent Title on March 10, 2006, and her Companion Dog

title on May, 27, 2006. Diane says that “Kelley” was a trainer's dream. Diane mentions that all of their friends and family fondly called her “Princess Kelley” because she was such a lady. “Kelley” was a surrogate mother for their second Sheltie, Simcos Midnight Dream, RE, CDX.

“Kelley’s” illness was evident for about three weeks. “Kelley” quit eating and then began breathing hard. She was taken into the vet the Monday after her breathing difficulties began. She was diagnosed with an inoperable tumor that was bleeding into her chest cavity and filling it with blood. Although Diane and Jim had three vet opinions and a scheduled appointment at the Cancer Center in Fort Lauderdale, it was not to be.

Diane says that “Kelley” was the absolute apple of their eye and that they are so grateful for the marvelous five years and three months that she owned them.

Diane wants to thank the club members who kindly sent their sweet wishes of condolence and especially to Colleen Kessler for believing that she and Jim would be the perfect home for special little “Kelley” girl.
