Who Has What Available for Placement -----

Lorna Staab of [Sta-A-Bit Shetland Sheepdogs](#) has a youngster available for placement. "Caleb" is a young tri male whose date of birth is January 11, 2010. His sire and dam are: Am/UKC/Can CH Cameo Dreamchaser ex CH Cameo It Must Be Love.

With Sorrow -----

Cay Ireland:

Cay Ireland of [Ireland Shelties](#) mentions the passing of “Annie,” Barwoods Antigua, on June 15, 2010. “Annie” was five years old. “Annie” was born on May 11, 2005, and was sired by CH Sunebank Caerleon Quest ex Barwoods Risque.

Amazingly, “Annie” carried a litter of five puppies and whelped them on June 7, 2010, all the while suffering with cancer involving her pancreas and liver. Cay will miss her sweet expression and gentle affection.

Colleen Kessler:

Colleen Kessler of Simcos Shelties, mentions the passing of “Splenda,” Simcos Splendor in the Grass, on June 10, 2010. “Splenda” was five years old. “Splenda” was born January 2, 2005, and was sired by Highfields Winter Weather (pts.) ex Simcos Queen of the Night.

“Splenda” was very special to Colleen and was Colleen’s shadow. “Splenda” was always at Colleen’s side touching her, whether it was standing at the sink, lying in bed, on the sofa, or in her lap in the rocking chair waiting for a stomach rub.

“Splenda” will carry on through her offspring as “Splenda” had three litters, her first being bred back to her grandsire CH Shadow Hill’s Air Force One, OA, OAJ. From that first litter Colleen kept “Gidget,” Simcos Wild Blue Yonder. “Gidget’s” first litter gave her “Kippy,” Simcos Air Patrol whose sire is BPISS/BISS AKC/UKC/CKC CH Cameo Dreamchaser.

Colleen had decided to let “Splenda” have one more litter before spaying her. This time, however, Colleen made the uncharacteristic decision to breed “Splenda” to CH U-CH Warmwinds Bourbon D’Bear, OA, OAJ—a tri-factored sable. Colleen and friends would chuckle about the possibility of Colleen having some “brown” puppies from this breeding. Everything seemed to be going fine until one week before her whelping date when she developed a terrible infection and fever of 105.2. She was rushed to the hospital where they did a C-section and spay. Unfortunately, all five

puppies died. “Splenda” responded slowing to antibiotics, came home, but a week later she had a relapse and died. Colleen will miss “Splenda” terribly.

Frank and Maryann Lannon:

Frank and Maryann Lannon of Larrikin Shelties state that they had to put “Coco,” BISS CH Jade Mist Perception, down on August 12, 2010. “Coco” was just two months shy of 12 having been born on October 18, 1998. “Coco” was sired by CH Jade Mist Beyond Tradition, ROM, ex Gemstone Strike A Pose.

“Coco” was bred by Carol Howell and Maryann relates that Carol let her have “Coco” to help change their breeding program. Maryann also relates that “Coco” was a wonderful mama to her babies, but none turned out to be as good as she was, so all are in great pet homes. One of “Coco's” daughters lives with their grandson and two of her sons live with their daughter. So “Coco” lives on in their family through her kids. It is with fond memories that Maryann mentions how their dear friend, Kathy Dziegiel, took “Coco” on the road and finished her championship in four weekends. “Coco” ended her show career with a BISS at the Jacksonville Shetland Sheepdog Club show under Judge Kim Schive. “Coco” was a wonderful, gentle soul and Maryann and Frank will miss her always.

Michael Pinckes:

Michael Pinckes relates the passing of “Scamp,” Lochhaven Tailspin. “Scamp” was sired by O'Bare's Primetime ex Lochhaven Tattletail. “Scamp” was born on November 17, 1996, and passed away on August 2, 2010.

Michael relates that “Scamp” was skittish from the day he brought him home to keep “Sara” company. “Scamp” was always a loner, but loyal and goofy with his one prick ear. (Michael mentions that even Dee couldn't tame that ear!) “Scamp” was loved by his past and present housemates—“Sara,” “Tawnie,” “Bucky,” and “Ransom.” “Ransom” especially loved “Scamp” as he loved to clean his teeth and play “Tip the Sheltie” by constantly jumping on him and knocking him over.

Dee and Walter Silverstein:

Dee and Walter Silverstein tell of the death of “Asher,” Silver Trails Serious Black, on August 23, 2010. “Asher” was sired by BISS AKC/UKC/CKC CH Cameo Dreamchaser ex Dee-Sign By Silver Trails and was whelped on November 28, 2005. “Asher” was bred by Walter and Dee Silverstein and co-owned with Jonathan Atleson and Mary Thompson-Atleson.

“Asher” was placed with Mary as a show dog and was pointed from the puppy class. Dee mentions that he was a very beautiful, affectionate, and intelligent dog and was very much loved by his mom and dad, Mary and Jonathan. “Asher” died from toxic ingestion and Dee and Wally do not know much of anything else about his death. Dee is heartbroken.
