Kennel Name:

Donlyn Shetland Sheepdogs

Shawn

Our start in Shelties came in 1966 with the purchase of a pet from a local breeder in Tampa. That dog, Munsey's Shawn, UD, took us to the SSC of Greater Miami, where he won a Specialty High in Trial.

It also took us to a friendship with Don and Dee Strahan, Cypress Shelties. They introduced us to Guy Mauldin, Kismet Kennels, when he came over from Texas for the annual SSC of Greater Miami Specialty with AM CAN CH Banchory High Born, ROM ROMC, where they won Best of Breed. Bill brags he got to sleep with "Banger" that weekend.

We then purchased "Kelly" who became Am Can CH Kismet's High Point, Am Can CDX MHITs, by High Born out of Kismet's Rubaiyyat, ROM. "Kelly" earned a perfect 200 score HIT and also won at a SSC of Greater Miami Specialty. So the journey began.

Kelly

Mark

We bred and co-owned the Second CH OTCH in the breed, Champion/Obedience Trial Champion Donlyn's Gypsy Gambler, UD MHITs, "Mark," co-owned and trained by Jean Whitler. "Mark" missed being the first by minutes as number One finished her Championship the same day that "Mark" finished his OTCH. Number One was determined by when they were judged that day. "Mark" was by "Kelly" and Kismet's Solitaire, CD.

Some other special dogs that we have bred and/or shown are: BIS CH Kismet's Centurion, by High Born and CH Kismet's Coquette, who Bill showed at Clearwater Kennel Club for the first of Guy and Thelma Mauldin's many Best in Shows. Another great Kismet dog was CH Kismet's Dynasty, ROM, "Bill", by CH Fairlight Dust In The Wind and Kismet's Bittersweet. We are proud to have co-bred, whelped and raised "Bill" until he went to Guy and Thelma.

We also bred Am Can CH Donlyn's Mylove for Mario, "Baby." "Baby" was by CH Philidove Kismet Heir Borne and Donlyn's Ebony 'Eiress, a "Kelly" daughter. "Baby" finished with three majors, including a Best of Breed and Herding Group One and two Best of Opposite Sex with one BOS at a Specialty.

Centurion

Others with a special place in our hearts are "Bronco", Am/Can/Bah/Dom Rep/PR/Ven/Int CH Cee Dee's Bravo Of Ashbrook. "Bronco" was by "High Born" and Cee Dee's Annandale. Bill piloted "Bronco" to many Group One and Placement wins. He, along with his daughter, BISS Am/Bah CH Beckward Hi-Note O'Donlyn, "Donna," were the first male and female Shelties to earn Bahamian Championships.

Am Can Bah CH Donlyn's Destiny, Am Can Bah CD, MHITs, "Eric," was a homebred favorite, by Bronco and Shiloh's Sunshine Sissy, an AM Int CH Kismet's El Cid daughter. Bill showed Eric in conformation and Irene trained and showed Eric to his many High in Trials.

Eric

Donna

We are especially proud of Donlyn's Blu Notice O'Beckward, "Puff." She was by Am Can CH Banchory Formal Notice, ROM ROMC and Chisterling Sea Breeze. We co-bred her with Greg Pankoski, Beckward Shelties.

"Puff" was the dam of:

BISS AM BAH CH Beckward Hi-Note O'Donlyn "Donna" - by Bronco
AM BAH CH OTCH Donlyn's Silver Lining, UD BAH CD MHITs "Brian" - by Bronco
CH Donlyn's Iced Starfall "Tucson" - by CH Banchory Feel My Thunder
CH Donlyn's Daylight Blues "Smudge" - by CH Banchory Feel My Thunder
Donlyn's Powderpuff, 11 points, one major "Powder" - by Anbonjo The Minute Man

"Donna" was Best of Breed from the Veterans Class at the 1991 Tampa Bay Area SSC Show, handled by Irene. Her litter brother, "Brian," was co-owned and trained by Peggy Manker. "Brian" sired OTCH Donlyn's Silver Bullet, UDX, MHITs "Ranger" out of CH Klassic Mis Conduct, co-bred with Anna Whiting. "Ranger" was co-owned with and trained by Peggy Manker. "Brian" is featured on the cover of a book called, Shetland Sheepdogs At Work.

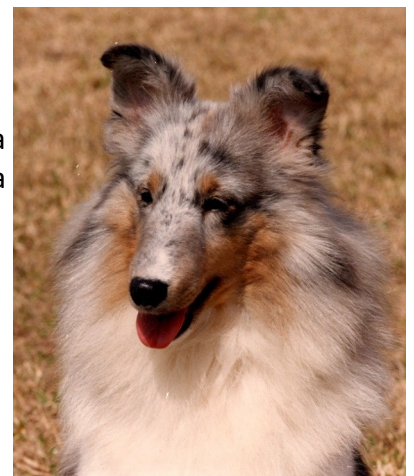

Brian

Bill showed "Tucson," to a five-point Herding Group I, at 8-months of age for co-owner Janet Turnage Nahikian. He also won a Group III on the way to his title.

Tucson

"Smudge" is Tucson's litter sister and a Best of Opposite winner at a Mid-Florida SSC Specialty.

Smudge

**Max**

More modern day dogs include MBISS Am/Int/L.A/PR/WW CH Kronborg Capture The Sun, CC CGC, 104 BOB, including five Specialty Best of Breeds with the first one at SSCSEFL, twelve Group wins and Group placements, "Max." He was co-owned and co-bred with Susan Rosenvold, Kronborg Shelties. He was by CH Park Avenue Captive Illusion, UD and Luv's Sunspun Gold of Donlyn. "Max's" litter brother was BIS WWKC CH Donlyn's Sunburst, AKC points, UD.

**Louie**

Our CH Waldenwood Louis Armstrong, RN CGC "Louie" by CH Waldenwood Count Basie and CH Waldenwood Candle In The Wind, produced BIS-INT AM CH Donlyn's Believe It Or Not CDX, WW CDX TD "Ripley" out of Donlyn's Blueberry Jam, co-bred and co-owned with Wendy Pirochta.

**Ripley**

His litter brother is Donlyn's Life of Riley, CD. "Riley" is owned by Wendy has a five-point Specialty Winners Dog win.

**Bart**

Not to be forgotten and gone too soon is CH Donlyn's As If Bi Magic, "Bart," by CH Cameo Dreamchaser and Donlyn's Indigo Lace, a "Louie" daughter. "Bart" finished with a four-point major, a five-point Specialty win and a Specialty four-point Major Reserve win.

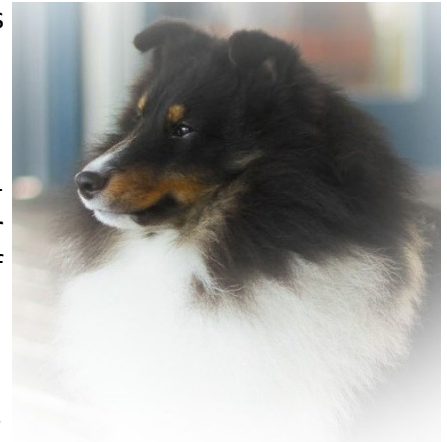

Also, loved and gone too soon is CH Summerlove's Showtime at Donlyn, "Donnie" by CH Summerlove Look My Way, NAJ and CH Summerlove's Country Charm, NA OAJ HT ROM. "Donnie" won multiple Best in Sweepstakes.

**Donnie**

**Chime**

Our newest champion is GCH Kismet's Encore at Donlyn, "Danny" by CH Kismet Cadeneaux Silver Lining and CH Kismet Without A Trace. His litter sister Kismet's Family Affair at Donlyn, "Erin", is just starting her show career. All of the champions mentioned above had wins at Specialty Shows.

**Danny****Diva**

CH Donlyn's Blue Ice "Diva" by Shadow Hill's Polaris and Kismet's Black Ice, major points, came out of retirement recently to win back-to-back Best of Breeds over a special and to earn her CGC title. Diva's litter sister, Donlyn's White Ice "Diamond," sports twelve points and one major. "Diamond" bred to BISS Am Can GCH Grandgables Alfenloch Uno, ROM ROMC produced GCH Donlyn's Ace of Diamonds "Chip" and his litter of brother, Donlyn's Ace of Spades, points, AKC CD BN CGC ASCA BN "Coal."

On the obedience front, we continue to be thrilled with ASCA OTCH2 UCDX URO1 Donlyn's Dark Angel, AKC UDX2 OM 3 RAE GO GN BN CGC ASCA UDX, major pointed "Jessica," co-owned and trained by Stefanie Nawlin. Stefanie also co-owns "Coal," mentioned above, and is showing him in performance trials.

Our original home was in Ithaca, New York. We came to Florida for Bill to go to college. He had a wonderful career working, 52 years, for the Hillsborough County Schools as a Masters Teacher at an environmental outdoor school called Nature's Classroom. I retired after working for the School Board for 35 years as an Executive Secretary/Office Manager. Bill also is retired from the PHA after many years of being an all-breed professional handler.

**Jessica**

Putting this together for the newsletter has taken many, many days and hours and has been an interesting journey. There are many more dogs that we have finished for ourselves and clients. We have never kept lists. Perhaps we will research that one day. As you can tell by the foreign titles on our early dogs, we used to love going to other countries for titles. Wish we could do it again.

***A Big Thanks to
our hosts Meredith & Hector***
